DEDICATION

To Mr. Kitchens

A man of many talents — soldier, poet,
musician, teacher — known to a dis-
cerning few because of his innate mod-
esty.

A man whose roots are deep within the
soil of our Southland.

A man whose slow speech and gentle
manner belie his abilities to get things
done at top speed.

A man who loves words and ideas and
knows how to use them.

A man whose education and culture do
honor to us all.

We, the Senior Class of 1969, with respect,
and affection, dedicate our Resumé

Thank You

For your conscientious concern for your students' welfare;
For recognizing each of us as an individual;
For that rare but beautiful smile;
For the many miles you travel, rain or shine, to faithfully serve our school and our community;
For making frogs, worms, and crayfish more palatable to us;
For this and so much more, we thank you, Mrs. Lila Redfern.

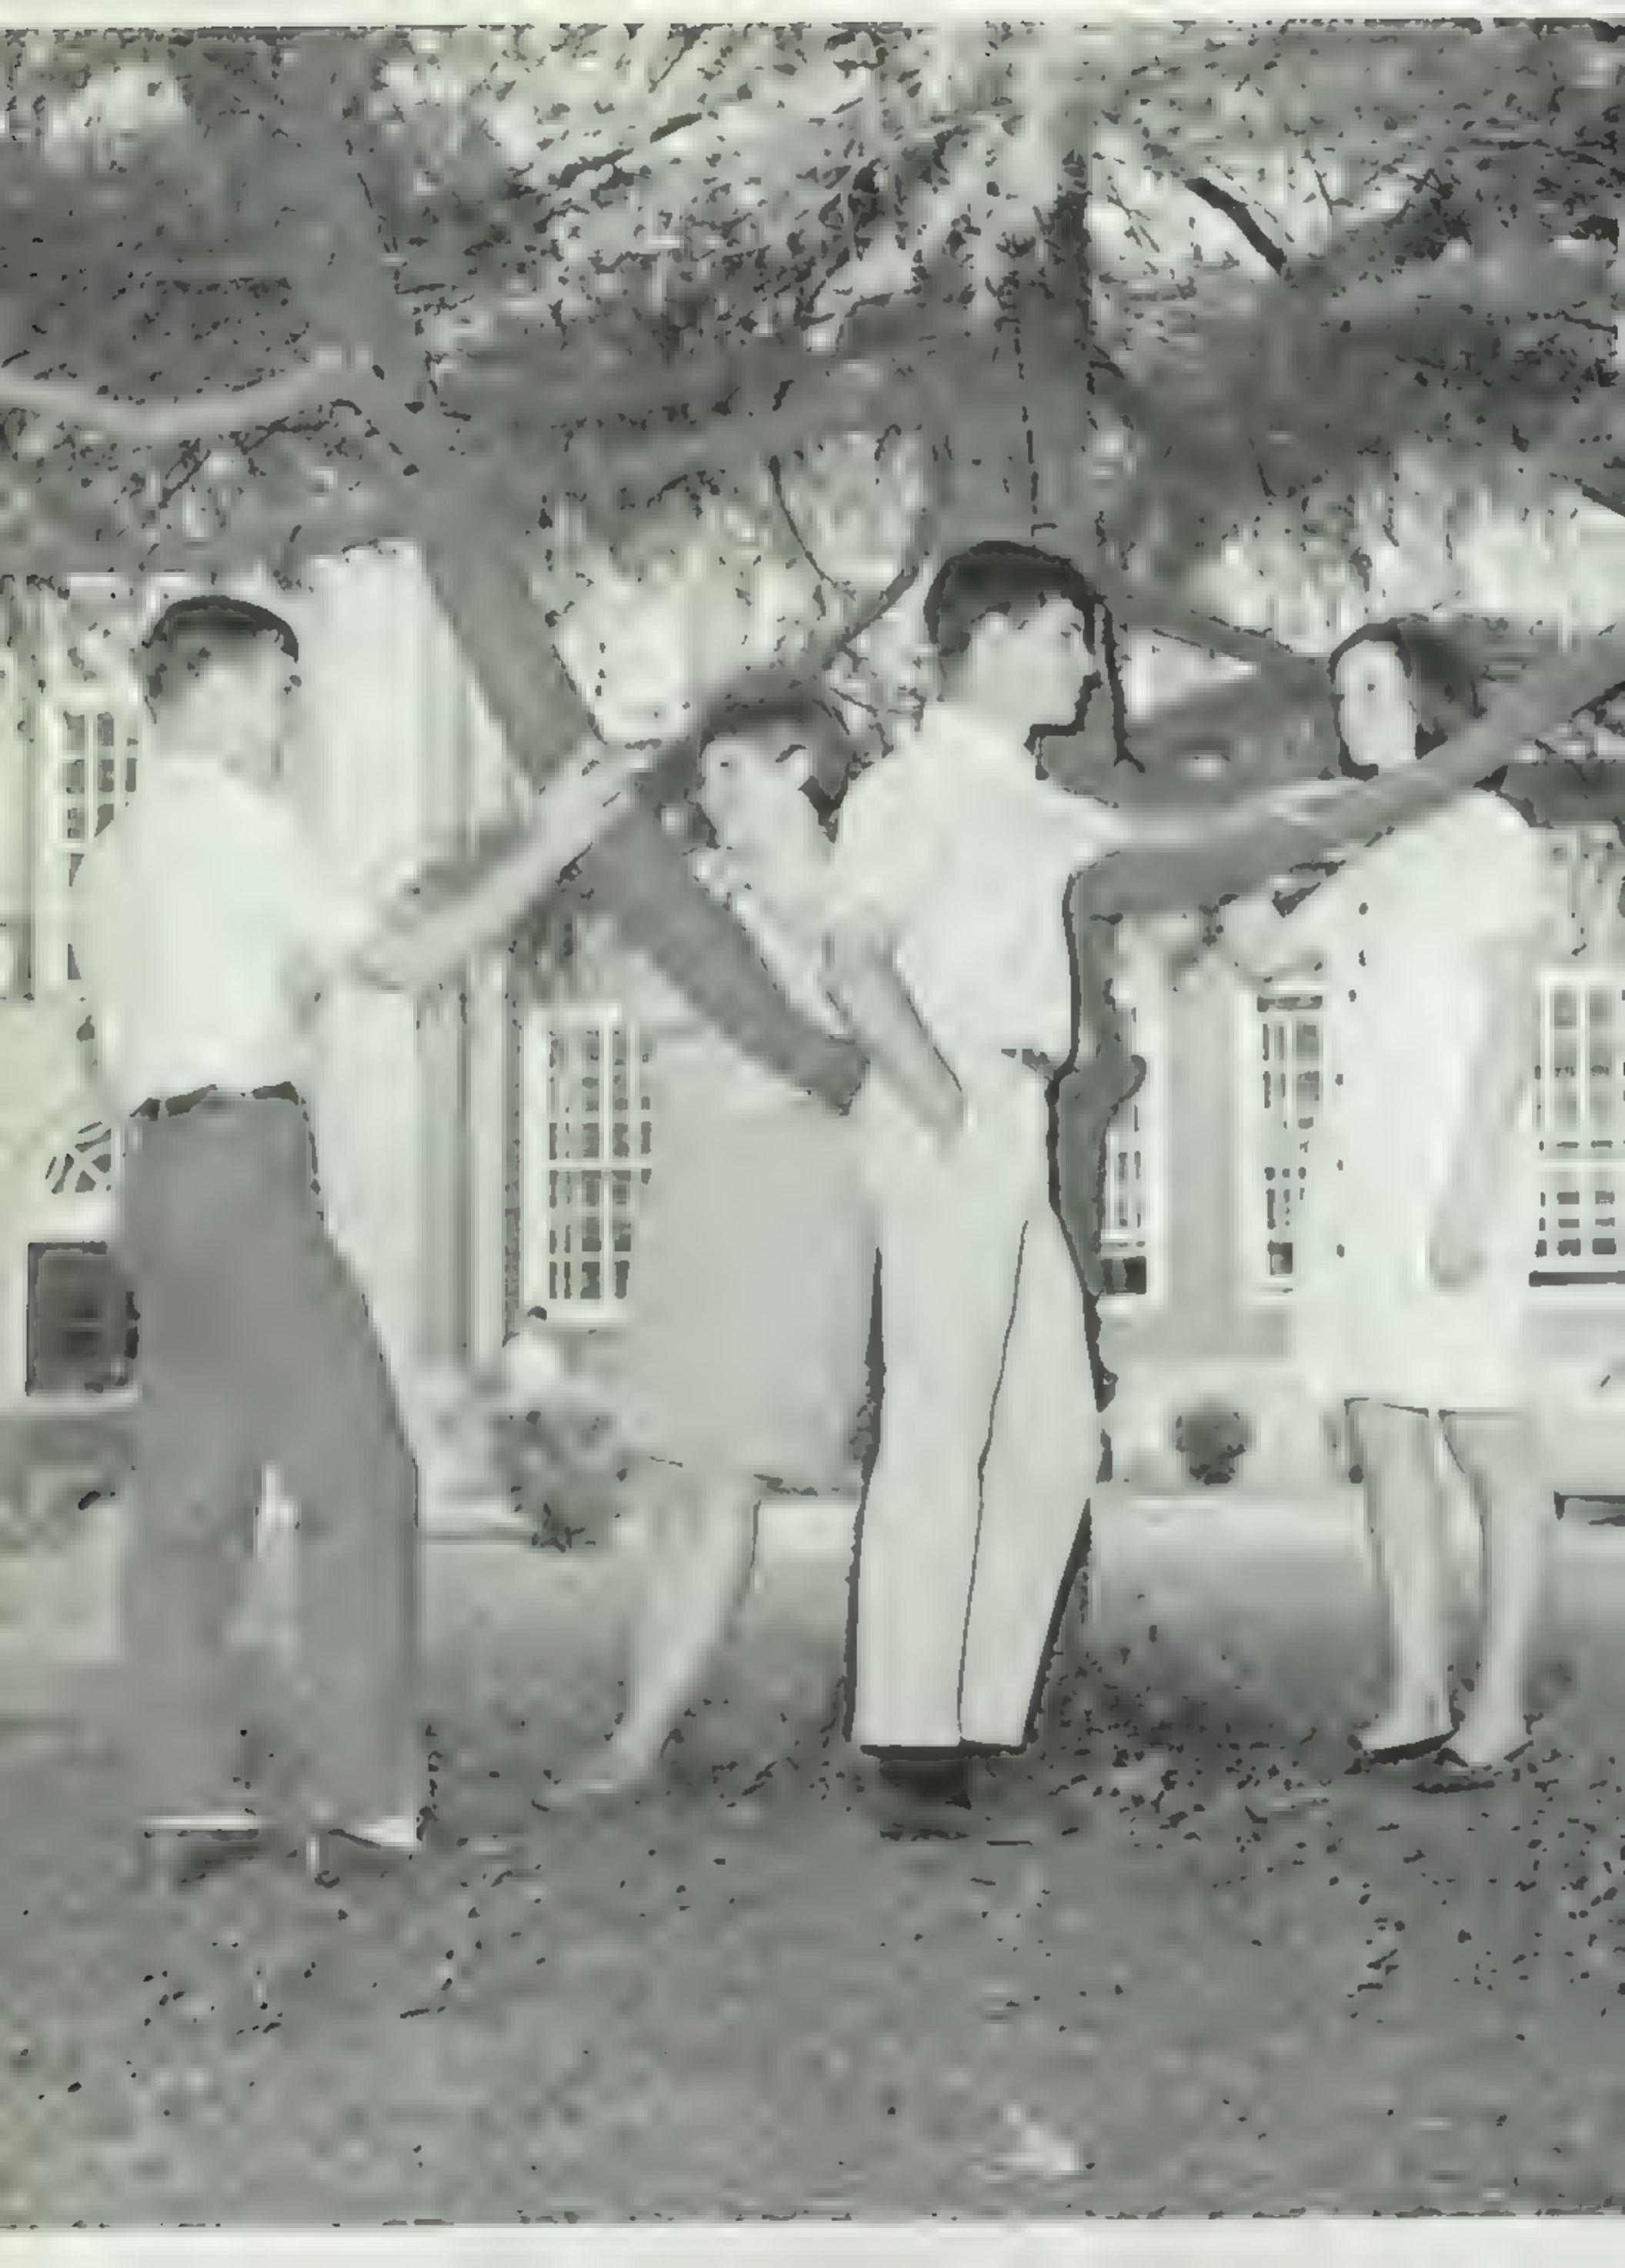

The Senior Class of 1969

Thank You

For upholding the rules of this school always with a smile;
For holding the art of writing up to us a goal;
For the Honor Society Teas;
For your astounding creative abilities;
For making "scholarship" at West End an "in" thing;
For the "scholarship," the "leadership," the "character," the "service" of which
you are a perfect example;
For all this, we thank you, Mrs. Christina Tavior

BOB REEVES

After a round of careful consideration of senior record the faculty awarded one of their most coveted honors to Bob Reeves as Outstanding Senior boy. Bob's record justifies their choice. Now serving as President of the Student Body, Bob has also served as President of the Junior Honor Society. Included in his many other honors are: being on the debate team, achieving finals in the Civitan oratorical contest, representative on the citizenship tour to Washington D. C., Thespians, W-Club, Latin Club, and Stage Crew. He has also maintained an "A-B" average throughout his high school career. Bob's talent as an athlete has been shown in his participation in track, basketball, and football. We at West End wish Bob great success and good luck in his future endeavors.

Outstanding Seniors

LYNN JOURNEY

What makes our "Outstanding Senior," Lynn Journey, so outstanding? Hard work and dedicated service is the key. Her unmatched record of scholastic excellence has been rewarded by being tapped into the Junior and National Honor Societies, but she did not stop there. She has served West End as Chairman of its "Youth for Patriotism" committee, Miss D.A.R. Good Citizenship, Vice-President and chaplain of the B-Y Teens, treasurer of the Medical Careers Club, and member of the cabinet and council. She was selected "Senior Beauty" and "Most Likely to Succeed" in the Senior Who's Who. During her busy schedule she has found time to work in the Guidance Office and serve as President and Drum Major of the band. We at West End would like to wish Lynn Journey happiness and continued success in the future and thank her for being an outstanding example here at West End.
